Notification of issue, conversion or payment up of equity +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are issuing a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

Performance Rights Summary

EBOS operates a long-term incentive scheme whereby eligible staff receive performance rights (Performance Rights).

Vesting of the Performance Rights is subject to the satisfaction of certain conditions relating to EBOS Group Limited financial performance and the continued employment of the holder of the Performance Rights (Performance Conditions).

The Performance Conditions will be tested after the end of the relevant performance period. In respect of the newly issued Performance Rights referred to in this announcement the performance period is 1 July 2020 to 30 June 2023.

For each Performance Right that vests the holder will be entitled to one fully paid ordinary share in EBOS Group Limited or an equivalent amount in cash or a combination of both (as determined by the Board). Any fully paid ordinary shares issued following vesting will rank equally with existing fully paid ordinary shares.

The Performance Rights have no dividend entitlement prior to vesting.

There is no amount payable by the Performance Rights holders either on grant or exercise of the Performance Rights.
